

Trump Suspends India Trade Negotiations After Implementing 50% Tariffs Over Russian Oil Imports

US President Donald Trump has definitively suspended trade negotiations with India after implementing severe 50% tariffs on Indian imports, creating the most significant bilateral trade crisis between the two nations in more than twenty years. Trump's categorical rejection of future discussions came during an Oval Office press briefing when reporters questioned whether additional talks were anticipated following his tariff announcement. The president's terse response indicated that negotiations would remain frozen until the current dispute reaches resolution. The trade confrontation stems from Trump's Wednesday executive order imposing an additional 25% levy on Indian goods, doubling the total tariff burden to 50% effective August 27. The punitive measures specifically target India's ongoing petroleum purchases from Russia, which the US administration views as undermining Western sanctions against Moscow. Trump had previously warned of implementing secondary sanctions against

nations maintaining commercial relationships with Russia, particularly as he demanded countries choose between Russian trade ties and potential American economic penalties. His administration has intensified pressure on allies to sever economic connections with Moscow over the ongoing Ukraine conflict. Advertisement India's Ministry of External Affairs has condemned the American tariff measures as fundamentally unjust and economically irrational. The government emphasized that energy

imports are guided by market considerations and the critical objective of securing energy supplies for India's 1.4 billion citizens, firmly rejecting external interference in sovereign policy decisions.

Advertisement Prime Minister Narendra Modi delivered a resolute response during his speech at the MS Swaminathan Centenary International Conference on Thursday, declaring India's willingness to accept substantial economic consequences to protect nation-

al interests. Modi specifically highlighted his administration's unwavering commitment to defending farmers, fishermen, and dairy producers against foreign pressure. The Prime Minister's defiant stance emphasized India's determination to maintain policy autonomy despite international economic coercion. Modi explicitly stated that safeguarding agricultural communities represents his government's paramount concern, regardless of potential personal or national economic sacrifices required. India has criticized what it characterizes as discriminatory American policy enforcement, pointing out that other major Russian petroleum importers including China and Turkey have not encountered comparable punitive actions. This selective application has raised serious questions about the consistency and underlying strategic motivations driving US tariff policy. The situation exposes complex geopolitical calculations, as India, China, and Turkey constitute the three largest consumers of Russian

energy exports. However, only India faces the new tariff regime, suggesting that diplomatic or strategic factors may be influencing American policy implementation beyond stated sanctions objectives. Notably, Washington continues maintaining a temporary suspension of 145% tariffs on Chinese merchandise under a negotiated ceasefire scheduled to expire on August 12. This arrangement, intended to support ongoing superpower negotiations, contrasts dramatically with the immediate penalties imposed on India, further underscoring perceived inconsistencies in American trade enforcement. The current dispute represents a substantial challenge to US-India relations, which have generally strengthened over recent decades through strategic cooperation in defense, technology, and regional security matters. These tensions threaten to damage broader diplomatic coordination between the world's two largest democracies during a period when both nations confront shared challenges in maintaining Indo-Pacific stability.

Union Minister Bandi Sanjay to appear before SIT in phone tapping case

Union Minister of State for Home Affairs, Bandi Sanjay, is set to appear before the Special Investigation Team (SIT) regarding allegations of phone tapping involving the K. Chandrashekar Rao (KCR) government. He will be joined by BJP Karimnagar Parliament Convener Boinipalli Praveen Kumar, PRO Pasunuru Madhu, and former PA Pogula Tirupati. Reports suggest that Minister Sanjay is poised to present crucial evidence concerning the alleged phone tapping operations, which the BJP has characterised as a national issue. According to central intelligence agencies, extensive surveillance was conducted on Bandi Sanjay's phone throughout his tenure as the BJP state president. The evidence gathered has reportedly been shared with Sanjay, who is expected to shed light on these serious allegations during his testimony to the SIT.

Rains likely to continue AP for next two weeks amid expected low pressures

The residents of the state can expect relief from the current summer-like weather conditions as the southwest monsoon is set to regain strength. Rainfall has already begun in several areas, and with surface circulation persisting in the Bay of Bengal, weather experts predict a surge in rainfall across the state starting from Saturday. According to the India Meteorological Department, the region may experience significant rain over the next two weeks. Since the start of August, the state has been grappling with hot and humid weather, recording record high temperatures in several locations. However, experts suggest that the clearing of clouds associated with the monsoon will likely reduce the sun's intensity from Friday, with the monsoon remaining active until the end of the season. In the past week, sea surface temperatures in the west-central and northwest Bay of Bengal have been on the rise,

prompting speculation about the formation of a low-pressure area by the 13th of this month, which is expected to move westward. Some weather models indicate that further low-pressure systems could develop soon and potentially strengthen into cyclones. Notably, the state has experienced a long stretch of inconsistent rainfall. Since the onset of the monsoon, many areas have faced a rain deficit, with recorded rainfall from June 1 to date at 215.6 mm, significantly below the expected average of 288.8 mm.

CM Chandrababu announces ex-gratia to gas cylinder explosion victims in Vizag

Andhra Pradesh Chief Minister N. Chandrababu Naidu expressed his shock over a tragic gas cylinder explosion that occurred in a welding shop near Visakhapatnam Fishing Harbour, resulting in the deaths of three individuals. In a heartfelt statement, he extended his condolences to the families of the deceased. In response to the incident, CM Naidu announced a compensation of ₹10 lakh for each family affected by the tragedy. Additionally, three other victims are reported to be in critical condition and receiving treatment at a local hospital. The incident has raised concerns about safety measures in welding shops and gas handling protocols in the region.

AP BJP chief meets Modi, discusses aqua farmers' issues

BJP Andhra Pradesh (AP) President PVN Madhav held a courtesy meeting with Prime Minister Narendra Modi this morning, during which he highlighted the importance of grassroots engagement within the party. Madhav revealed that Modi provided valuable suggestions for strengthening the party's presence in the state, emphasising the need to connect with every party worker. During the meeting, Madhav raised concerns about the challenges faced by aqua farmers in AP as a result of Trump-era tariffs. The Prime Minister responded by stating that alternative measures are being explored to mitigate future issues. Madhav also discussed the struggles of farmers and various communities in the state, presenting a roadmap for the BJP's development strategy in Andhra Pradesh. He announced plans to organise the Harghar Tiranga programme in every village to commemorate Independence Day. Additionally, Madhav refuted claims that the YSR Congress Party (YSRCP) has support from the Centre, asserting that the BJP is committed to exposing and fighting against the party's alleged corrupt activities.

Deshapaka Venkanna receives Doctorate from OU

..His life journey - a guiding light for the youth, praise from many

Hyderabad, metro udayam August 8

Dr. Deshapaka Venkannas life reflects the respect he holds for life, the inspiration of Ambedkar, his rural background, and the peak he has achieved. Education is not just about the hardship of books, it is a battle of life. A true example of these words is Deshapaka Venkanna, who hails from a small village called Manimadde in Shaligouraram Mandal of Nalgonda district. Venkanna lost his father at a very young age. With the disappearance of his father in the early stage of life, he stayed at his maternal grandmothers house and continued his education. The determination he had towards studies and the inner strength to support his family pushed him forward in life. With the hope, thirst for education, and a sense of social

responsibility, he shaped his life. Turning education into a weapon and making a path with it where no road existed, Venkannas life has become an inspiration for many youth. While staying at his

grandmothers house, he studied from Class 1 to Class 4 in Manimadde, and then continued his education up to Class 10 while staying at the Social Welfare Hostel in Chittalur village. He completed his Intermediate in Nalgonda. But due to financial difficulties, he couldnt pursue traditional educa-

tion and migrated to Hyderabad, where he did ITI. Working during the day and taking up security jobs at night, he faced many hardships and continued his education. For him, education was a dream, a necessity, and a journey. With the inspiration of Dr. B. R. Ambedkar, he aspired to pursue higher education and completed his degree through Dr. B. R. Ambedkar Open University. He completed his MA at OU. Later, he did B.Ed. In 2008, he started research for a Ph.D. on the topic Impact of Fluoride Water on Public Health in Nalgonda District under the supervision of Professor Sunanda Pandey and completed it successfully. From a social perspective, Venkanna is the first to conduct research on the impact of fluoride water on public health in the Sociology Department. This research will be very useful for fluoride-affected victims and the government machinery to help get rid of the

problem. In 2025, he received his Doctorate degree from Osmania University. This journey is not an ordinary one. Every step had a struggle. But his commitment to education, responsibility towards society, and love for his family molded him into a victor. With the awarding of a doctorate degree from Osmania University on July 26, 2025, he has proven to society that a person from a small village can achieve significant scientific knowledge. On this occasion, Dr. Deshapaka Venkanna expressed heartfelt thanks to the challenges he faced and to all those who stood behind his success—especially his late grandmother, his mother, his life partner Deepti, his supportive family members, friends, mentors, and everyone who accompanied him in his life journey. This is not just a personal victory - it is a life journey that stands as hope and an ideal for every rural youth.

CBSE 75% Attendance Rule for Class 10 & 12 Board Exams 2025-26

CBSE says all students must attend school at least 75% of the time to write the Class 10 and 12 board exams in 2025-26. This rule is very important. Students and schools must follow it. Important Points: Schools will tell students and parents about this rule at the start of the year. If a student is sick or has an emergency, they must give a written note and proof like a doctor's certificate. Schools will keep daily attendance records. CBSE can check these records anytime. If a student misses many days, the school will tell their parents. If attendance records are wrong or fake, the student can be stopped from writing exams, and the school can be punished. When Can Attendance Be Allowed

Even If Below 75%? If the student was very sick for a long time, had a family emergency, or played official sports. The student must give papers and a written application. The school must send these papers to CBSE by January 7. Late or incomplete papers will not be accepted.

**जो लोग शुभ कर्मों का
आचरण करते हैं, धर्म और
ईश्वर की अवहेलना नहीं करते,
वह चाहे पुरुष हो या स्त्री सभी
किसी भेद भाव के परमात्मा की
ओर से उनके कर्मानुसार
पुरस्कारित किए जाएंगे। ...
(शकील उवाचा - 439)**

हमारे अपने भारत देश के इतिहास में कई जग प्रसिद्ध महिलाएं अपना लोहा मनवा चुकी हैं। स्वतंत्रता संग्राम में ब्रिटिश सेना के खिलाफ लड़ने वाली महिलाओं का इतिहास हम जानते ही हैं। इसके व्यतिरिक्त हर एक क्षेत्र में महिलाएं अग्रसर रही। फिर वह आध्यात्मिक और धार्मिक क्षेत्र हो, या फिर वह नृत्य और संगीत का क्षेत्र। या फिर वह खेल का क्षेत्र हो, या फिर वह विज्ञान व अंतरिक्ष क्षेत्र हो। या फिर वह पोलिस और सैनिक क्षेत्र हो, हर एक क्षेत्र में हमारे देश की महिलाएं जागतिक कीर्ती कमा चुकी हैं।

कोई भी धर्म हो या और कोई पंथ वह अगर सच्चा है तो कभी स्त्री और पुरुष में कोई भेद भाव का आदेश नहीं देता। और सच्चा धार्मिक किसी धर्म या किसी पंथ से जुड़ा हो वह कभी स्त्री पुरुष में कोई भेद भाव नहीं रखता। अगर भेद भाव करता है तो फिर वह धार्मिक नहीं हो सकता। जो लोग शुभ कर्मों का आचरण करते हैं, धर्म और ईश्वर की अवहेलना नहीं करते, वह चाहे पुरुष हो या स्त्री सभी किसी भेद भाव के परमात्मा की ओर से उनके कर्मानुसार पुरस्कारित किए जाएंगे।

पवित्र कुरआन में आया है के, "मर्द और औरत जो कोई अच्छा काम करेगा और वह ईमानदर भी हो तो हम (ईश्वर) उसे (दुनिया में भी) पाक पाकीजा जिदगी (पवित्र जीवन) बसर कराएंगे। और (परलोक में भी) जो कुछ वह करते थे उसका अच्छे से अच्छा (प्रतिफल) प्रदान करेंगे।" (पवित्र कुरआन, अध्याय क्रमांक 16, सराह अन नहल, आयत क्रमांक 97)।

पवित्र कुरआन के उपरोक्त आयत में भी स्त्री और पुरुष को किसी भेदभाव के, दोनों को ही उनके अच्छे आचरण के लिए एक जैसा उपहार, एक जैसा प्रतिफल मिलने की बात कही गई है। और यह भी सच है के स्त्री और पुरुष दोनों को ही उनके बुरे कर्मों के लिए एक जैसा ही दण्ड मिलकर रहेगा।

इसके व्यतिरिक्त जिनके कर्म शुभ हो और धर्म की अवहेलना नहीं करते हो वह स्त्री हो या पुरुष उनके कर्मों अच्छा प्रतिफल मिलके रहेगा। यहां तक के स्वर्ग में भी केवल पुरुष नहीं बल्के स्त्री भी जाएगी ऐसा कहा गया है। पवित्र कुरआन में कहा गया है के, "तो तुम अपनी पत्नियों समेत खुशी-खुशी जन्मत में प्रवेश करो।" (पवित्र कुरआन, अध्याय क्रमांक 43, सुराह अज जुखरुफ, आयत क्रमांक 70)।

लेकिन आज कल कुछ प्रसार माध्यम एक ही झूठ को सबहो शाम समाज में फैलाने की जी जान लगाकर कर मेहनत कर रहे हैं। यह प्रसार माध्यम किसी भी धर्म और पंथ को स्त्री विरोधी चित्रित करने की कोशिश करते रहते हैं। और झूठ को सच साबित करने का व्यर्थ प्रयत्न करते रहते हैं। विशेषकर कुछ बिकाऊ प्रसार माध्यमों द्वारा "अगर आप एक झूठ को बार-बार दोहराते हैं तो अंततः लोग उस झूठ को सच मानकर उस पर विश्वास करने लगते हैं।" इस सूत्र को (जो नाजी जर्मनी का मिनिस्टर ऑफ प्रोपेगंडा रह चुका जोसेफ गोएबल्स ने दिया था) सच करने में तुले है।

इस झूठे प्रचार में मुस्लिम औरतों का बुरखा याने पर्दा भी है। जब के पवित्र कुरआन में एक आदेश स्त्री पुरुष दोनों को समान रूप में दिया गया है। पवित्र कुरआन में आया है के, "ऐ पैगम्बर (स्व.) ईमानदारों (धार्मिक पुरुषों) से कह दो के अपनी नज़रें (दृष्टी) को नीची रखें, अपनी शर्मगाहों की हिफाज़त (रुप्तांगों की रक्षा) करें यही उनके वास्ते ज्यादा सफाई (लाभ) की बात है। ये लोग जो कुछ करते हैं ईश्वर उसे खूब जानता है।" (पवित्र कुरआन, अध्याय क्रमांक 24, सुराह अन नूर, आयत क्रमांक 30)।

Nani fierce new look from 'The Paradise' unveiled

Natural Star Nani, fresh off consecutive blockbusters, is stepping into his boldest role yet with The Paradise, an epic period action drama set for a worldwide release in English and Spanish. The film reunites him with Dasara director Srikanth Odela, promising a darker, more intense cinematic experience. The newly released first look reveals a Nani almost unrecognizable in a raw, beast-mode transformation. Sporting long braided jedaalu, a thick beard, and a handlebar mustache, he exudes rugged power. His partially unbuttoned red collared

denim shirt, layered metallic chains with tribal and demonic motifs, and dark-tinted sunglasses complete the striking visual, blending ferocity with style. The poster's back-

drop heightens the atmosphere — a grim setting dominated by a massive spiked wheel of knives and bullets, with ominous crows surrounding him, evoking chaos and symbolic darkness. This isn't just a makeover; it's a full-scale reimagination of Nani's on-screen persona. Every element — from physical transformation to gritty set design — suggests a layered, unpredictable character, potentially the most intense of his career. Helmed by Odela, The Paradise is set to push beyond the gritty brilliance of Dasara. Produced by Sudhakar Cherukuri under SLV Cinemas and co-starring Raghav Juyal in a pivotal role, the film is slated for a grand global release on March 26, 2026.
