

BJP congratulates C.P. Radhakrishnan on VP nomination; highlights OBC representation

New Delhi: The BJP on Monday congratulated Maharashtra Governor CP Radhakrishnan on being named the NDA's vice presidential candidate, thanking Prime Minister Narendra Modi for choosing a leader from the Other Backward Classes (OBC) category. The election for the post of the Vice President of India, is scheduled to be held on September 9. Radhakrishnan, a former president of the BJP's Tamil Nadu unit and a veteran of the Rashtriya Swayamsevak Sangh (RSS), has been fielded as the ruling alliance's nominee. His nomination drew praise from various BJP leaders, who hailed his long-standing commitment to public service and the party's ideology. Former Madhya Pradesh Chief Minister Uma Bharti welcomed the decision, saying, "Whosoever will be the INDIA Bloc representative, the NDA's candidate is truly commendable. I know him personally and have great respect for him. He is a wise and kind individual. I thank our party for selecting such a good person as the vice presidential candidate." Niranjan Jyoti, another BJP leader told IANS, "With the support of NDA leaders,

Prime Minister Modi has surprised everyone. Radhakrishnan comes from the RSS background, is a social worker, and has held several constitutional positions. I congratulate him and thank PM Modi for selecting a candidate from the OBC category. Best wishes to him for his upcoming endeavours." Radhakrishnan has served as the Governor of Jharkhand and held additional charge of Puducherry. A two-term MP from Coimbatore, he has also led the Tamil Nadu BJP and remains closely associated with the RSS since the age of 17. With a combined strength of 786 members in both Houses of Parliament, the majority mark for the poll for the post of Vice President stands at 394. The NDA currently holds a total of 422 seats — 293 in the Lok Sabha

and 129 in the Rajya Sabha — suggesting a clear advantage for Radhakrishnan. Known for his proximity to former Prime Minister late Atal Bihari Vajpayee, Radhakrishnan is also said to have a strong working relationship with Prime Minister Modi. Outside of politics, he was India's first exporter of knitted cotton to Bangladesh, and his consensus-driven leadership style is acknowledged across party lines. Bihar Chief Minister Nitish Kumar also endorsed the BJP's nominee on Monday. Taking to social media, he wrote, "The decision to make Maharashtra Governor Radhakrishnan the NDA candidate for the post of Vice President is welcome. The JD(U) will support Radhakrishnan. Best wishes to him." The JD(U) currently

holds 12 MPs in the Lok Sabha and four in the Rajya Sabha, strengthening Radhakrishnan's chances further. Meanwhile, leaders from the INDIA Bloc reacted cautiously but acknowledged Radhakrishnan's credentials. Shiv Sena (UBT) Rajya Sabha MP, Priyanka Chaturvedi, told IANS, "He is Maharashtra's Governor and a non-controversial figure. He has also served as Governor of Jharkhand and as a Member of Parliament. We hope that if elected, he will uphold the dignity of the post and maintain parliamentary traditions." She added that the INDIA Bloc's decision on whether to field a candidate or support Radhakrishnan would be taken after consultations among alliance partners. Congress General Secretary KC Venugopal confirmed that discussions were underway and the Opposition alliance will announce its candidate later in the day. "The Congress will not make a decision alone. We are consulting with all our alliance partners. The DMK has already made its stance clear. By Monday evening, everything will be finalised," Venugopal said, speaking to reporters.

Six electrocuted at Krishnashtami Celebrations in Ramanthapur

In a tragic incident during the Sri Krishnashtami celebrations in Gokule Nagar, Ramanthapur, reports indicate that six individuals have lost their lives due to electrocution. Musharraf Farooqui, the CMD of the Power Department, visited the site to investigate the situation. He confirmed that an internet cable conductor wire came into contact with an 11 KV power line, resulting in electrical current travelling through the internet cable. This cable subsequently touched a chariot in the procession leading to the tragic outcome. Farooqui assured that the incident would be reported to the government, and take steps accordingly. He announced that as an immediate measure, all internet cables in the

area would be removed, and the potentially hazardous electric wires would be rectified. He also stated that similar corrective actions would take place throughout the city in preparation for the upcoming Vinayaka and Durga Mata Navarathri celebrations.

However, the tragedy has sparked outrage among local residents, who blame the electricity department for negligence. Demonstrations erupted on Ramanthapur Road, with protesters demanding compensation and government jobs for the families affected. The situation escalated as residents shouted slogans calling for immediate accountability from the electricity department for their alleged negligence, resulting in significant traffic disruption along the Ramanthapur-Uppal route. प्रकृति का प्रकोप

धरती हिलती है, आसमान डोलता है, प्रकृति का प्रकोप, सब कुछ तोड़ता है। भूकंप, तूफान, बाढ़ और सूखा, प्रकृति के कोप से सब कुछ होता है रुखा।

पेड़ गिरते हैं, घर ढहते हैं, जीवन की धारा बदल जाती है। नदियाँ उफनती हैं, समुद्र उबलता है, प्रकृति का कहर, सब कुछ संभालता है।

आँधी आती है, बारिश होती है, प्रकृति की शक्ति, सब कुछ दिखाती है। लेकिन हमें भी सावधान रहना होगा, प्रकृति के संकेतों को समझना होगा।

हमें पेड़ लगाने होंगे, जल संचय करना होगा, प्रकृति की रक्षा करनी होगी, अपना भविष्य बनाना होगा। प्रकृति का प्रकोप, हमें सिखाता है, सावधानी और सतर्कता का महत्व बताता है।

आओ हम सब मिलकर प्रकृति की रक्षा करें, और इसके प्रकोप से बचने के लिए तैयार रहें। प्रकृति के साथ सामंजस्य बिठाएं, और एक सुरक्षित भविष्य की ओर बढ़ें।

अफसोस की बात है के झूठ को सच समझने वाले लोग कभी अपनी धारणाओं को बुद्धी, सत्य और धर्म के कसौटी पर जांचने की भी कोशिश और हिम्मत कर नहीं पाते। ... (शकील उवाचा -४४९)

ज्ञान और धर्म ज्यादा बातें करने को पसंद नहीं करता और हक (सत्य) की बात आजाए तो खामोश (मौन) रहने को भी पसंद नहीं करता। ज्यादा बातें अल्प बुद्धी का प्रमाण है, मौन बुद्धिमत्ता का प्रमाण है और झूठ बोलना अधार्मिकता का प्रमाण है। जब बातों में झूठ भी शामिल किया जाता है तो फिर वह बात बहुत ही घातक साबित होगी। आज कल कुछ लोग अपने स्वार्थ के लिए झूठ को सच कहकर समाज में फैलाए जा रहे हैं। और झूठ को इतना परोसा जा रहा है कि कुछ भोले भाले लोग झूठ को ही सच समझने लगे हैं।

अभी इस झूठ के कुछ लोग इतना आदि हो चुके हैं कि, सत्य को पचा ही नहीं पा रहे हैं। इस झूठ के कारण यह लोगों को अपने विचार और अपनी मान्यताओं के व्यतिरिक्त किसी और के विचार और मान्यताएं चाहे कितने भी अच्छे हो उन्हें सहन कर पाना कठिन जा रहा है। झूठे लोगों को सत्य कभी भाता ही नहीं है। अफसोस की बात है कि झूठ को सच समझने वाले यह लोग कभी अपनी धारणाओं को बुद्धी, सत्य और धर्म के कसौटी पर जांचने की भी कोशिश और हिम्मत कर नहीं पाते।

आजकल कुछ लोग शर्मा हया (लाज लज्जा) को छोड़ चुके हैं। झूठ पे झूठ बोले जा रहे हैं। यह लोग झूठ के इतने आदि हो चुके हैं कि खुद के द्वारा खुद पर आरोपित किया गया झूठ खुद को ही धोखा दे रहा है। उन्हें ऐसा लगता है कि हम चाहें जो भी बोलकर लोगों को और समाज को गुमराह (पथभ्रष्ट) कर सकते हैं।

लेकिन इस बात को यह लोग भूल जाते हैं कि उनकी मक्कारियों को परमात्मा जरूर देख रहा है। जिस दिन उसी सृष्टिकर्ता पालनहार परमात्मा का बनाया कानून (निसर्ग नियम) उनके कर्मों का फल बनकर उनके सामने आयेगा तब उस कानून से वह कहीं भी फरार नहीं कर सकते।

किसी के भी बुराईयां, किसीके भी दोष और किसीके भी अधार्मिक कृत्य तब तक लोगों के सामने नहीं आते जब तक उनको उनका नसीब साथ देता रहेगा। जिस दिन भाग्य सहायक नहीं होगा उस दिन सभी के सभी दोष दुनिया के सामने आ जायेंगे। सच है कि झूठ समाज में फैलाकर समाज को भ्रमित करने वाले यह लोग एक न एक दिन इस कर्म का दण्ड भोगकर कर ही रहेंगे। दुनिया भी देखेगी कि इनका भाग्य इनको कब तक सुरक्षित रखेगा?

पैगम्बर साहब मोहम्मद (स्व.) के पहिले उत्तराधिकारी इमाम अली इब्न अबू तालिब अलैहिस्सलाम का फरमान (कथन) है कि "जब तक तुम्हारे नसीब (भाग्य) यावर (सहायक) है तुम्हारे ऐब (दोष) ढके हुए हैं।" (अब्बास बुक एजेन्सी, लखनऊ द्वारा प्रकाशित हिंदी पुस्तक नहजुल बलागह, उपदेश क्रमांक 51, पुष्ट क्रमांक 701)।

झूठ और धर्म, झूठ और सत्य कभी एक साथ नहीं रह सकते। कोई व्यक्ति झूठा भी हो और खुद को सत्यवादी और धार्मिक समझता हो तो यह उसका वहम (भ्रम) ही है सत्य नहीं है। झूठे को कभी धर्म और भक्ती का स्वाद मिल ही नहीं सकता जब तक वह झूठ बोलना त्याग न दे। चाहे माजाक या दिल्लगी (चेष्टा और दिल बहलाने) के लिए झूठ बोलता हो फिर चाहे संजीदगी (गंभीरता) से झूठ बोलता हो दोनों ही हालातों में झूठ अक्षय्य है।

पैगम्बर साहब मोहम्मद (स्व.) के पहिले उत्तराधिकारी इमाम अली इब्न अबू तालिब अलैहिस्सलाम का फरमान (कथन) है कि "कोई बन्द्या (व्यक्ति) लज्जते ईमान (ईश्वर विश्वास के स्वाद) से उस समय तक आशना (परिचित) नहीं हो सकता जब तक मजाक व संजीदगी दोनों हालातों (चेष्टा और गंभीरता इन दोनों ही परिस्थितियों) में झूठ बोलना न छोड़ दें।" (हैदरी कुतुब खाना, मुंबई द्वारा प्रकाशित उर्दू पुस्तक तजल्लियते हिकमत, बाब झूठ, 179, हदीस क्रमांक 16, पुष्ट क्रमांक 403)।

Bharath Bhushan BB, the pioneer to bhahujana community people

Great people are not born but made, man can do wonders in the world, if he/she is having positive thoughts & social concept. If his path is virtuous, IRTS Retired Officer Appikarla Bharat Bhushan is such an ideal, dedicated personality where his presence can be felt everywhere. He has taken a great responsibility in the footsteps of Baba Saheb Ambedkar. »»»Pay Back To society concepts. Alone he became the force of army for the poor who are in agony. Most of the people took him as the motivated & inspiration followed in his path. Bharat Bhushan emerged as the source of life for many people in both states Telangana & AP. He spent his life as a simple, sacrificed his service for the poor downtrodden people. Though he was a retired employee from the central railways services, his motto is only service.

Last 12 years ago, two girls belong to scheduled caste community approached him to SC community and the other girl to Reddy. The girl of SC community expressed to Bharat Bhushan that she could not afford Group-2 coaching as her family pathetic poor condition, at once listening to her family story, Bharat Bhushan immediately arranged finance facilities arranged money for her coaching at Hyderabad RTC cross roads & T) the girl of Reddy community could not dare to describe her situation to him, but Bharat Bhushan came to know that she was also weak in economically, he also arranged her to continue her education by providing money. He said that he could help all the poor people irrespective of caste & community which indicates his generosity. After months of period one night he got a phone call, he came to know that was father of Reddy girl. Feeling a sense of urgency,

Bharat Bhushan in confusion inquired about them. The man on the phone hailed Bharat for his helping nature, where his daughter got seat in coaching center because of him. He informed that she remained topper in panchayat secretary post recruitment. Even though we belong to Reddy community, no one has extended help for us, except you, we owe you a lot, he said on the phone. The girl's father felt extremely happy for guiding her child in crisis time. Like that there are many incidents took place, during the lockdown period, while covid-19 was on surge, there was complete lockdown. Not even children or old age, no one was allowed to roam outside. But at the age of 65, Bharat Bhushan plunged in to the ground and brought his network in to his touch. Instantly he raised 10 lakhs to help labourers from other states. He offered food, shoes, clothes for those who are needed. With the help of few men, he arranged the private buses in Hyderabad to shift labourers belonging to UP, Jharkhand. He also raised extra more 5 lakhs to help adivasi villages in Mulugu district. There he provided free clothes, medi-

cine, shoes, rain coats for elders and notebooks, pens, pencils for children.

Even before he joined in the railway services, he also helped many people during his student life, while pursuing studies at Andhra University between 1975-77 he helped his PG classmate, Gyanprakash, who hails from Tenali, worked as server in arogya bhawan in the day time and he used to ride rikshaw in the night. With the help from his friends, Bharat Bhushan cared of financial issues of Gyanprakash and helped him to complete his higher education.

These are only a few instances. In the first instance, he helped girls of different castes, hoping that their fate may change by getting jobs. In second case, we can notice that even after his retirement, he helped many poor who are in dire need. In the third case, we can notice how Bharat has supported his friend for his higher studies. From these references, we can confine what kind of man he is. His leadership qualities, his character cannot be comparable. By his will of service, he has become big brother for the bahunas. Both the Telugu states does not need his introduction, as he is a well known figure in the circles. Bharat Bhushan is Big B, also his name contains BB. So many of his admirers call him as Big B. Big Brother Bharat Bhushan with affection.

Appikarla Joseph and Marthama are his parents. Joseph served as Rajyasabha MP from 1949-52, after that as MLC from 1966-72. They are native to Vijayawada. Joseph can be revered as freedom fighter. Throughout his life, he stood as man born for downtrodden. Joseph has good relations with the then Vice President Jagjeevan Ram. Around Vijayawada, he gave away house pattas for many poor people.

With his own money Joseph has established primary school. For at least 57 years, that school has imparted education for the poor students.

Bharat Bhushan has imbibed the culture of service from his father since his childhood. In his first attempt he failed in tenth class, but later joined in other school and cleared the exam. He completed his intermediate, degree from Vijayawada Loyola college. Apart from his pocket money, he collected money from his friends, and helped poor students, so that they may not turn out as dropouts.

Before he joined in civil services, he worked for General Insurance company. At that time, Regional Manager of the company has shown lot of caste inequality towards Big B. But BB has never succumbed to his pressure, and fought against social evil. Such kind of unhealthy approach by upper castes made him strong enough to fight for the welfare of the poor.

In Railways, for the benefit of lower grade employees, they organise exams and give them required promotions. But due to unknown reasons, or may be due to negligence towards weaker sections, the promotion system never worked regularly, and many of them would have retired from service on low pay scale. But BB initiated a new method to promote weaker section employees, he used to approve leaves for such employees and encourage them to write exams, hoping for their better future. There are many employees who got upgraded with the help of BB and retired from Railways in higher category. He guided many employees in building their houses with their pensions and helped their children to overcome studies. BB with his never compromise attitude has flushed away laziness from the society and proved him-

self as an efficient officer. BB remained most virtuous all over his career.

With his guidance and encouragement, at least 30 students, belonging to Telugu states, have cracked Civil Services. At least two thousand students selected for Group 1, Group 2 posts. Many joined as teachers, constables, Sub Inspectors, banking employees under BBs support and vision. With the help of Dr. Baburao, he has helped poor students to prepare for government jobs at Kachiguda by running free hostel. Apart from civil services aspirants and those who are in line to attend interviews in different metro cities, he has provided free food, rail, bus tickets including accommodation. In 1994, Madiga Reservation Porata Samithi (MRPS) began fight for the social justice and SC Reservations, which was immensely supported by Bharat Bhushan. For many who fought for SC, ST, BC, Minority rights in Delhi, he has supported them to his strength. Wherever dalits were suppressed, wherever they met injustice, Bharat sir extended his helping hands and supported them in crisis. In 2012, Laxmipet village of Srikakulam district, has witnessed oppression from upper castes, where the dalits faced severe problems. At that time, for about three years, he has arranged daily need items for the victims. In the same year, SC, ST sub plan protest was organised in Delhi. BB has specially arranged two railway coaches to carry demonstrators. In Pebaru mandal of the then Mahabubnagar district, when Madigas faced oppression from the higher caste people, over shadow issue, at that crisis time, he fought on behalf of the victims.

BB has travelled in the path laid by Baba Saheb Ambedkar, Kanshiram, Mahatma Jyothirao Phule, Savitri Bhai Phule

Only way I see Jadeja getting injured is doing a rotator cuff via his celebration, says Lee

Ravindra Jadeja's trademark sword-swinging celebration has been a common sight on the cricketing field. But former Australia pacer Brett Lee has cautioned the veteran all-rounder in pulling off the celebration, saying he is at the risk of injuring his rotator cuff muscle. Jadeja amassed 516 runs in the drawn 2-2 Anderson-Tendulkar Trophy Test series against England, including hitting five half-centuries and one hundred. "The thing with Jadeja, the only way I see him getting injured is doing a rotator cuff with his, the way he does a sword celebration. So, I love it. Look after your body. Don't celebrate too hard," said Lee on his YouTube channel on Sunday. Jadeja retired from T20Is after India's T20 World Cup win last year. But he continues to remain a force to reckon with in Tests and ODIs for India. Lee, the former Australian speedster went on to shower praise on Jadeja, and predicted he will go on to play 100 Test matches for India. "Another sort of 15 Tests, it's about two years. I think he'll go past the 100 mark. I think he's one of the best all-rounders that we've seen. 36 years of age, he's still got a good couple of years left in him." "The term we like to use, factory-made cricketer. He has everything that a cricketer needs, and I think

he ticks every single box. He does the basics right, he's got a simple technique, no fuss. He runs in and bowls accurately, he bowls the correct line and length when needed, and gets through his overs quickly." "36 years of age, but the fittest. He's the fittest in the team, he covers a lot of ground, and he prides himself on being the fittest. That is probably the reason why he never shies away from those big moments. He likes to be in the game, he's an entertainer, and he's probably one of the factory cricketers that if you put everything into a mix, throw it into a bucket, mix all up, pick out your best cricketer, Jadeja will be at the top of the list," he concluded.
