

Kavitha resigns to MLC and BRS, slams Harish Rao as trouble maker

Hyderabad: Suspended BRS leader Kalvakuntla Kavitha on Wednesday continued her tirade against party leaders Harish Rao and Santosh Rao alleging that they were involved in corruption. Addressing a press conference after resigning from the primary membership of BRS and as MLC, Kavitha cautioned the party leadership particularly the working president KT Rama Rao on the two leaders. She also levelled fresh allegations of corruption against Harish Rao and Santosh Rao. The daughter of BRS chief K Chandrashekar Rao said that she was also for Golden Telangana, the term coined by KCR. "Bangaru (Golden Telangana) sent mean having Bangaram (gold) in the houses of Harish Rao and Santosh Rao. I want to ask Ramanna (KTR) I am your sister, you should have talked to me over phone and found out what happened. It has been 103 days since I raised the issue of leaked letter. Till today he didn't say one word. KCR is a busy person but at least KTR should have talked," said

Kavitha alleged that there was a conspiracy to divide the family and get benefitted. "If our family is divided they can do whatever they like. I request godly KCR to see what is going on behind him. My suspension is first step in this direction. I talk straight. Today it is me, tomorrow it will be you. I request Ramanna they may be acting but they are not interested in the well-being of the people of Telangana," said Kavitha referring to KTR. The Jagruthi President alleged party leaders Harish Rao and Santosh Rao's collision with Revanth Reddy. "I ask a straight question. When Harish Rao and Revanth Reddy travelled in the same flight from

Hyderabad to Delhi. Harish touched the feet of Revanth. Revanth Reddy should answer whether he traveled with Revanth Reddy or not?" said Kavitha. She also alleged that Revanth Reddy talked about Harish Rao's farmhouse at Ranganayak Sagar but later stopped talking about this. She also referred to milk business by Harish Rao. Kavitha alleged that Harish Rao was not a trouble shooter but a trouble maker. She revealed that Harish Rao approached to BJP for support stating the party would field second candidate during the election of Dasoju Sravan Kumar. "He creates trouble and try to project it as trouble shooter. He is

responsible for defeat of the party in Dubbaka, Huzurabad. The six feet bullet will cause wound to whom. Today it had wounded me and in future it will be you," said Kavitha. Kavitha said thatb Santosh Rao was like salt in curry. In KTR's constituency Nerella sand incident one person died. Santosh ensured 7 to 8 dalit family members were thrashed. "The actions were done by santanna but bad names goes to KTR," alleged Kavitha. She alleged that Santosh Rao's friend Pochampally Srinivas Reddy came from normal family but now he is referred as a big person in his village. There is a farmhouse of his in Mokila which is valued at over Rs 750 crore, she alleged. The BRS leader said she was today she sending resignation to the post of MLC in speaker format and also sending the resignation from BRS primary membership to Ravula Chandrashekhara, she said, adding there were no plans to join any other political party and would discuss with Jagruthi leaders on future course of action.

NDA slams Oppn over remarks against PM Modi's mother; Cong recalls abuses directed at Sonia Gandhi

New Delhi: The war of words continued on Wednesday between the ruling NDA and the Opposition INDIA bloc over the use of derogatory words against Prime Minister Narendra Modi's late mother during the 'Voter Adhikar Yatra'. The BJP-led NDA denounced the opposition for allegedly making derogatory statements about PM Modi and his late mother. Such remarks, according to the BJP and its allies, are an "insult to every mother in the country" and demonstrate the opposition's "falling standards". The Congress, however, pushed back, accusing the BJP of double standards and recalling several instances where leaders, including Congress parliamentary party leader Sonia Gandhi, had been subjected to derogatory remarks by the ruling party leaders. BJP leader Ram Kadam said the Opposition had crossed all limits of decency. Speaking to IANS, Ram Kadam said, "The level of the Opposition's language and rhetoric is falling rapidly, and this is disgusting for the country. Prime Minister Modi's statement is absolutely correct—the Opposition must improve its language and maintain dignity."

Col. (Retd.) Rajyavardhan Singh Rathore, Rajasthan Cabinet Minister and BJP MLA from Jhotwara, described the remarks as "unfortunate and shameful". "Congress and RJD workers have insulted the mother of the Prime Minister of India. It reflects their mentality. Even after it has been investigated and found that the comments came from their own camp, they are running away from responsibility," he said. Shiv Sena leader Shaina NC was more scathing in her criticism. "The attack on PM Modi's mother is not just personal—it is an insult to every mother of this country. This is the true identity of the Congress and the RJD. Their so-called 'Voter Adhikar Yatra' has turned into a 'Voter Ananya Yatra,' spreading falsehoods and targeting Indian culture, Indian women, and Indian mothers. Especially in Bihar, the land of

women's strength, this kind of language will not be tolerated. The women of Bihar will give them a befitting reply," she said. BJP MP Praveen Khandelwal highlighted the emotional impact of the remarks on the Prime Minister. "If someone's mother is insulted, naturally, emotions will arise. We all know how deeply PM Modi was influenced by his late mother and the struggles she endured while raising him. Yesterday, the Prime Minister's pain was visible in his words. Those who used such language

from their stage should be ashamed," Khandelwal added. From the Janata Dal (Secular), Nikhil Kumar Swamy also expressed disapproval. "No society accepts this kind of rhetoric. Unfortunately, personal attacks have become common in today's politics. PM Modi is a leader of great stature, and such remarks cannot be justified or appreciated," he said. The Congress, however, accused the ruling party of twisting the issue for political mileage. AICC Secretary Shah Nawaz Chaudhary alleged that the BJP was "manufacturing sympathy" around the Prime Minister. "The BJP and the Prime Minister, cornered by allegations of vote theft, are deliberately raising this issue to divert attention. Rahul Gandhi and Tejashwi Yadav had already left the stage when the remark was made. The person responsible was not connected to Congress -- he was planted by the BJP itself," Chaudhary said. He further claimed that PM Modi himself was "using the name of his late mother for politics". "This is a desperate

attempt to seek sympathy. Congress does not use such language, does not support such language, and does not allow such language. We have issued a categorical statement distancing ourselves from the individual, and our spokespersons across India are making this clear," Chaudhary said. Recalling the BJP's own history, he pointed to derogatory remarks once made against Sonia Gandhi. "The BJP should first explain its own record before lecturing Congress about dignity," he added. Congress leader Hussain Dalwai also defended his party, saying it had never indulged in disrespecting women. "Neither Rahul Gandhi nor Tejashwi Yadav made such statements. The Prime Minister's mother is the mother of all. Congress has always respected women. Gandhiji brought women into the freedom struggle in large numbers, and the Constitution grants women full rights. BJP does not need to teach Congress about respecting women," Dalwai said.

Resolution - 03

The desire to conquer the world,
Leads to practice, and practice leads to results.
The effort driven by heartfelt passion
Guides us toward a noble destination.

The power of determination
Nurtures self-confidence.
To overcome disability
And climb the ladder of success—
That is our true nature.

Disability did not defeat our resolve.
Like everyone else..... we too,
Like waves that rise with force.....
This Aparanjila (organization or group) aspires to reach the top.

Their ambition knows no bounds.
Their thinking is skillful,
Their emotions are clear,
They speak with wisdom and intelligence—
This is rare, this is memorable.

Life is very short, Only by conquering it
Does a person find true purpose.
One who understands this is never afraid to live.

They prove that disability affects only the body,
Not the mind. With active involvement,
They strive to improve the lives of others,
Strengthening their own vision—
This is the nature of these brilliant minds.

प्रकृति

प्रकृति की शक्ति अपरंपार है,
उसका प्रकोप सबको डरा देता है।
तूफान और बाढ़ से लेकर,
भूकंप तक, उसकी शक्ति का अनुभव होता है।

प्रकृति का संतुलन बिगड़ने से,
प्रकोप की स्थिति उत्पन्न होती है।
हमारे कर्मों का परिणाम है,
प्रकृति का प्रकोप, जो हमें सिखाता है।

इसलिए प्रकृति का सम्मान करना,
हमारा कर्तव्य है।
प्रकृति के साथ सामंजस्य बिठाकर,
हमें जीवन जीना चाहिए।

प्रकृति के साथ सामंजस्य बिठाओ,
उसकी सुंदरता को बनाए रखो।
वृक्ष लगाओ, जल संरक्षण करो,
प्रकृति की रक्षा करना हमारा कर्तव्य है।

प्रकृति के नियमों का पालन करो,
उसकी शक्ति का सम्मान करो।
प्रदूषण कम करो, कूड़ा न फैलाओ,
प्रकृति को स्वच्छ और स्वस्थ बनाओ।

प्रकृति से हमें जीवन मिलता है,
उसकी सुंदरता हमें आनंद देती है।
इसलिए प्रकृति के साथ अच्छा व्यवहार करो,
उसकी रक्षा करना हमारा परम कर्तव्य है।

जो व्यक्ती ईश्वर के धर्मदेशों का उल्लंघन करता हो और खुद धार्मिक होने का दावा भी करता हो तो वह सच्चा नहीं हो सकता। क्योंकि धार्मिक होने की दलील ही कभी धर्मदेशों की अवज्ञा नहीं करना है।... (शकील उवावा -४६४)

करबला में इमाम हुसैन अलैहिस्सलाम और उनके 72 अनुयायियों को शहीद करवाकर, उनके लाशों पर घोड़े दौड़ाकर शवों को छिन्न विछिन्न करने वाले, उन शहीदों के सारों को नेजो (भालों) पर चढ़ाकर जुलूस निकालने वाले, शहीदों के खेमों को आग लगाकर बच्चों और स्त्रियों को कैंद करके सताने वाले मुनाफिकों (पाखंडियों) को जो कोई मुसलमान समझता है तो वह गलत ही नहीं बल्कि अक्षम्य अपराध कर रहा है।

आज भी मुनाफिकों (पाखंडियों) को सच्चा धार्मिक समझने वाले अज्ञानी लोगों के समर्थन से ही पाखंडी यज़ीद लानतुल्लाह और पैगंबर साहब मोहम्मद (स्व.) के सच्चे उत्तराधिकारी ग्यारह इमाम अलैहिमुस्सलाम के कालिलों के विचारधारा को पुरस्कृत करने वाले अत्याचारी आज इस्लाम के नाम से अत्याचार कर रहे हैं। इन जालिम मुनाफिकों (अत्याचारी पाखंडियों) का समर्थन करने वाला मुसलमान कैसे हो सकता है।

हर एक आदमी चाहे वह किसी भी विचारधारा का समर्थक हो उसे यह जरूर सोचना चाहिए कि खुद को मुसलमान कहने वाले मुनाफिक (दोंगी, पाखंडी) सच्चे धार्मिक (मोमिन) कभी नहीं हो सकते। नाहक जुल्मों सितम करते हुए लोगों पर अत्याचार करने वाले इन मुनाफिकों (पाखंडियों) में सबके सब खुद को इस्लाम के प्रतिनिधि और मुस्लिम कहने वाले जालिम (अत्याचारी) सत्ताधीश थे और उन जालिम (अत्याचारी) सत्ताधीशों को इस्लाम के प्रतिनिधि मानने वाले समर्थक ही थे।

अफसोस के साथ कहना पड़ता है कि आज तक ज़्यादा तर मुसलमानों ने इन मुनाफिकों (पाखंडियों) का विरोध करने की हिम्मत नहीं जुटा पाए। इन पाखंडी सत्ताधीशों के द्वारा प्रचलित किए गए झूठे सिद्धांतों को ही इस्लाम समझ बैठे हैं, जो मुस्लिमों को काफिर कहकर नफरत का पाठ पढ़ाते हैं। केवल सत्ताधीश मुस्लिम हैं इतना ही उसके धार्मिकता का लक्षण होता तो फिर पैगंबर साहब मोहम्मद (स्व.) के पहिले उत्तराधिकारी इमाम अली इब्न अबू तालिब अलैहिस्सलाम ने ऐसे लोगों से जंग कभी न करते।

सत्ताधीश खुद को मुस्लिम कहने मात्र से अगर इस्लाम सिद्ध होता पैगंबर साहब मोहम्मद (स्व.) के ग्यारह उत्तराधिकारियों को शहीद करने वाले इन पाखंडियों को क्या कहोगे? कोई भी व्यक्ती इन सत्ताधीशों को इनकार करके पवित्र कुरआन के पाठ को पैगंबर साहब मोहम्मद (स्व.) और उनके सच्चे उत्तराधिकारी वाराह इमाम अलैहिमुस्सलाम के नज़रिए (दृष्टिकोण) से नहीं समझ लेता इस्लाम की वास्तविकता को समझ ही नहीं सकता।

जुल्म से बढ़कर कोई अधार्मिकता नहीं है। और जो कोई व्यक्ती ईश्वर के धर्मदेशों का उल्लंघन भी करता हो और खुद धार्मिक होने का दावा भी करता हो तो वह सच्चा नहीं हो सकता। क्योंकि आदमी के धार्मिक होने की दलील ही यह है कि वह कभी ईश्वर के द्वारा निश्चित किए गए धर्मदेशों की अवज्ञा नहीं करना होता है। इस बारे में पैगंबर साहब मोहम्मद (स्व.) के पहिले उत्तराधिकारी इमाम अली इब्न अबू तालिब अलैहिस्सलाम फरमाते हैं कि,

"खालिक की माअसियत (सृष्टिकर्ता के अवज्ञा) के साथ किसी मखलूक (सृष्टि) को हक ए इताअत (ईश्वर के आज्ञा पालन का अधिकार) हासिल नहीं होता है।" (हिंदी कुतुब खाना, मुंबई द्वारा प्रकाशित उर्दू पुस्तक तजल्लियते हिकमत, बाब इताअत, 135, हदीस क्रमांक 07, पुष्ट क्रमांक 295)। याने ईश्वर की आज्ञा पालन का हक उसी को मिलता है जो सृष्टिकर्ता की अवज्ञा न करता हो और पाप कर्मों से अपने आप को बचाता हो याने धर्मदेशों की अवहेलना न करता हो।

Ahan Shetty to Star in India's First Horror Film Inspired by a National Tragedy, Written by Patrick Graham

Ahan Shetty is all set to headline a groundbreaking project, India's first horror feature inspired by a real-life national tragedy. The film will be produced by Khyati Madaan's Not Out Entertainment and Prashant Gunjalkar, with production scheduled to begin in early 2026. A Bold Concept in Hindi Horror The script comes from Patrick Graham, the creator of Ghoul and Betaal, India's only two horror series developed under Blumhouse Television, the global powerhouse behind Get Out, The Purge, and Paranormal Activity. This collaboration positions the project as a theatrical horror event unlike anything previously seen in Indian cinema. While plot and director details remain under wraps, the film is being

described as a mass entertainer that blends horror, a gripping love story, and a thriller-like narrative. The title is set to be unveiled soon, and the

announcement of the female lead is expected shortly. Ahan Shetty's New Direction After making his debut with Sajid Nadiadwala's Tadap, Ahan

Shetty quickly carved his space as a bankable star in massy cinema. He will next be seen in the big-ticket patriotic drama Border 2, co-starring Sunny Deol, Diljit Dosanjh, and Varun Dhawan, scheduled for Republic Day 2026. With this new horror film, however, Ahan takes a sharp turn from romance and patriotism to dark, genre-defining storytelling, marking his boldest career choice yet. Makers Behind the Film The project is spearheaded by Khyati Madaan, who launched Not Out Entertainment earlier this year with a mission to revive Hindi theatrical cinema through genre-driven narratives. With over a decade of industry experience at Red Chillies Entertainment, Disney India, and Maddock Films, Madaan is already build-

ing a diverse slate that includes Abhootpurva (a romantic horror comedy) and a slice-of-life drama directed by Habib Faisal (Do Dooni Chaar, Ishaqzaade). Joining her is Prashant Gunjalkar, founder of Pals & Peers, who brings decades of expertise in talent management, brand collaborations, and event-driven entertainment. A New Chapter for Hindi Cinema By merging a national tragedy backdrop with horror and mainstream entertainment, the film aims to deliver a massy theatrical experience that Hindi audiences have long been craving. With Shroff's young star power, Graham's horror pedigree, and the backing of experienced producers, this project could well mark a turning point in India's genre cinema.
