New Delhi: Union Home Minister Amit Shah on Tuesday took stock of the investigation and the multi-state searches being conducted in the Delhi blast case, reiterating Prime Minister Narendra Modi's resolve to bring the culprits to justice. Chairing a meeting at his residence with top security officials, HM Shah issued strict instructions to officials to get to the bottom of the conspiracy at the earliest.

The meeting was attended by Union Home Secretary Govind Mohan, Intelligence Bureau Director Tapan Kumar Deka, Delhi Police Commissioner Satish Golcha and National Investigation Agency (NIA) Director General (DG) Sadanand Vasant Date, while the Jammu and Kashmir Director General of Police (DGP) Nalin Prabhat joined virtually. A team of more than 500 security officials has been formed to investigate the blast, while secu-

rity has been ramped up across Delhi-NCR, with NSG commandos deployed at key installations. More than 1,000 CCTV footage clips are being scanned by investigative agencies, which suspect that the car explosion could have been a suicide attack aimed at causing maximum damage, Delhi Police sources said. Investigative agencies are also monitoring social media activity

and collecting mobile phone dump data from several locations across Delhi. According to police sources, dump data is being retrieved from all mobile phones that were active in and around the Red Fort area. This data may help identify phone numbers and communication links connected to the car bombing. HM Shah directed the NIA, IB, and Delhi Police Special Cell to work in tandem, vowing, "No

stone will be left unturned". High alerts have been issued in Delhi, Uttar Pradesh, Bihar, and Mumbai, with security around crowded public places and religious sites enhanced.

The blast occurred on Monday evening when a Haryana-registered car, a Hyundai i20, near Gate No.1 of the Red Fort Metro Station exploded, killing at least eight people and injuring dozens.

Earlier, Prime Minister Narendra Modi, while speaking in Bhutan, assured action against the conspirators behind the blast. He stated that Indian agencies will get to the bottom of the conspiracy and assured that those behind the blast "will not be spared".

In his remarks at Changlimethang Ground in Thimphu, PM Modi said, "Today, I come here with a very heavy heart. The horrific incident that took place in Delhi yesterday evening has deeply saddened

everyone. I understand the grief of the affected families. Today, the entire nation stands with them. I was in touch with all the agencies investigating this incident throughout last night...Our agencies will get to the bottom of this conspiracy. The conspirators behind this will not be spared. All those responsible will be brought to justice."

Earlier, the BJP criticised the Congress and its allies for working against national interest and trying to politicise the terror attack.

Amit Malviya, in charge of the BJP's National Information and Technology Department, said on X, "If being shameless and working against national interest had a face, it would look exactly like the Congress."

"The problem with our Opposition and the loony far-Left ecosystem is that they simply do not know how to stand with the country in times of need," he said.

रोज़ का काम उसी रोज़ (जिस दिन का काम उसी दिन) खत्म कर दिया करो, क्योंकि हर दिन अपने ही काम के लिए मरखूस (विशेष) होता है। ... (शकील उवाचा -१२९)

शासक हो मंत्री हो या कोई भी शासनाधिकारी हो जब तक वह खुद को प्रजा का सेवक नहीं समझता उसमें विनम्रता आ नहीं सकती। सबसे बड़ी बात यह के उसे जो प्रजा सेवा के माध्यम से खुदा (ईश्वर) ने जो इज्जत (गौरव और प्रतिष्ठा) दिया है उसके लिए परमात्मा का हमेशा शुक्रगुजार (कृतज्ञ) बनकर रहना चाहिए। और कृतज्ञ व्यक्ति करने का बेहतरीन तरीका यही है के अपने कर्तव्यों को ईमानदारी के साथ पूरा करते रहें।

इमाम अली इब्न अबू तालिब अलैहिस्सलाम फरमाते हैं के, ("ऐ मालिक!) फिर कुछ उमूर (काम) ऐसे हैं की जिन्हें खुद तुम ही को अंजाम (पूरे कर) देना चाहिए। उनमें से एक हुक्म (अधिकारियों) के उन मुरासालात (पत्रों) का जवाब देना है जो तुम्हारे मुंशीयों (लेखकों, लिपिकों) के बस में ना हो।" (अब्बास बुक एजेन्सी, लखनऊ द्वारा प्रकाशित हिंदी पुस्तक नहजुल बलागह, पत्र क्रमांक 53, पुष्ट क्रमांक 657)।

जो भी शासक हो या मंत्री अपने हाथ के नीचे काम करने वाले अधिकारियों से जितना ज्यादा संपर्क में रहेगा वह जनता के समस्याओं को उतना ही ज्यादा हल करने में कामयाब रहेगा। एक तरफ अपने अधिकारियों के साथ उसका संपर्क कभी नहीं टूटना चाहिए और दूसरी तरफ सर्व सामान्य प्रजा के साथ भी उसका संपर्क मजबूत रहना चाहिए। ऐसा करने से शासन के द्वारा दिए जाने वाला लाभ न्याय पूर्ण विधान से लोगों को मिलते रहेगा। केवल संबंधित अधिकारियों के भरोसे न रह कर खुद भी लोगों के समस्याओं को देखना चाहिए।

इमाम अली इब्न अबू तालिब अलैहिस्सलाम फरमाते हैं के, ("ऐ मालिक!) और एक (काम यह भी करना के) लोगों की हाजतें (प्रजा की आवश्यकताएं) जब तुम्हारे सामने पेश (सामने) हो (उन्हें पूरा करना)। और तुम्हारे अमले के अर्कान (दफ्तर के काम) (संबंधित अधिकारी) जी चुराए तो खुद उन्हें अंजाम देना है।" (अब्बास बुक एजेन्सी, लखनऊ द्वारा प्रकाशित हिंदी पुस्तक नहजुल बलागह, पत्र क्रमांक 53, पुष्ट क्रमांक 657)।

पैगंबर साहब मोहम्मद (स्व.) के पहिले उत्तराधिकारी इमाम अली इब्न अबू तालिब अलैहिस्सलाम ने मालिक इब्न हारिसे अश्तर (र.) को मिन्न (इजिप्त) का वाली (संरक्षक) बनाकर भेजा। तब मालिक (र.) को एक तवील खत (लम्बा पत्र) लिखकर एक शासक और शासनाधिकारी के कर्तव्यों के बारे में सविस्तर विवरण दिए हैं। जिसमें यह भी कहे हैं के शासक चाहे कितना भी अपने आपको व्यस्त रखें, लेकिन ईश्वर की भक्ती करने के लिए भी समय निकालना ही चाहिए।

इमाम अली अलैहिस्सलाम फरमाते हैं के, ("ऐ मालिक!) रोज़ का काम उसी रोज़ (जिस दिन का काम उसी दिन) खत्म कर दिया करो, क्योंकि हर दिन अपने ही काम के लिए मरखूस (विशेष) होता है। और अपने औकात का बेहतर व अफजल हिस्सा (अपने समय अच्छा भाग) अल्लाह की इबादत (ईश्वर भक्ती) के लिए खास कर देना। अगरचे तमाम काम भी अल्लाह (ईश्वर) ही के लिए हैं जब नीयत बखैर (इच्छा, मनीषा अच्छी) हो और उनके लिए रैयत की खुशहाली (प्रजा के लिए आनंद) हो।" (अब्बास बुक एजेन्सी, लखनऊ द्वारा प्रकाशित हिंदी पुस्तक नहजुल बलागह, पत्र क्रमांक 53, पुष्ट क्रमांक 657)।

ऐसे तो शासक हो मंत्री हो या कोई शासनाधिकारी हो या फिर सर्व सामान्य व्यक्ति हो जब ईश्वर को संतुष्ट करने के लिए कोई भी प्रजोपयोगी काम करे वह ईश्वर भक्ती ही कहलायेगी। फिर भी अपने व्यस्त जीवन में हर एक दिन कुछ समय अपने सृष्टिकर्ता पालनहार परमात्मा के इबादत (भक्ती) के लिए निकालना चाहिए। क्यों के पवित्र कुरआन अध्याय क्रमांक 51, सुराह अज जारेयात, आयत क्रमांक 56 के मुताबिक खुदा (ईश्वर) ने हमें उस की इबादत (ईश्वर की भक्ती) के लिए ही यह जीवन दिया है।

Education is not merely a service; it is the lifeline of a nations development

Education is the cornerstone of any nations progress, and in India it is truly the Mul Dhara - the main current that drives the country forward. When a child steps into a classroom, the future of the nation steps in with them. Education equips individuals with knowledge, skills, and the ability to think critically, enabling them to contribute meaningfully to society.

First, education fosters economic growth. A literate workforce attracts investment, boosts productivity, and creates new job opportunities. By teaching science, technology, engineering, and mathematics, we prepare a generation capable of innovation and entrepreneurship. This, in turn, raises the standard of living and reduces poverty.

Second, education promotes social cohesion. Schools bring together children from diverse backgrounds, teaching them to respect differences and work together. When the message of equality and justice is embedded in curricula, it shapes responsible citizens who value democracy and the rule of law.

Third, education empowers the marginalized. When we ensure that every child, regardless of gender, caste, or region, has access to quality learning, we break the cycle of intergenerational poverty. Programs such as Sarva Shiksha Abhiyan and scholarships for girls are steps in this direction, but the effort must reach every remote village.

Moreover, education strengthens the nations resilience. An informed populace can make informed choices, whether in electing leaders, adopting sustainable practices, or responding to health crises. It creates a vigilant society that holds the government accountable.

In conclusion, education is not merely a service; it is the lifeblood of national development. By investing in schools, improving infrastructure, and ensuring inclusive, quality education for all, we lay a solid foundation for a prosperous, harmonious, and progressive India. Let us spread this message far and wide, so that every corner of our great nation can benefit from the transformative power of learning.
